A prayer for peace, courage and solidarity

Lord Jesus, Prince of Peace,

In a world wounded by division,
fear and indifference, teach us to become
instruments of Your peace.

Open our eyes to the suffering of others, our hearts
to the dignity of every person, and our hands
to the work of justice and reconciliation.

Give us the courage to speak when silence
allows injustice, to act when indifference
threatens hope, and to stand together
when fear seeks to divide us.

Remind us that peace is not merely
the absence of conflict, but the presence of love,
justice and human dignity.

During this sacred season of Lent, transform
our prayers into compassion, our faith into
action,and our solidarity into lasting hope.

May we never grow weary of building bridges,
defending dignity and choosing love.

Amen.
